All coming to a theatre near you...very near you!

The New Embassy Theatre in Downtown Cumberland is once again lighting up the silver screen! This restored 1931 Art Deco movie house has been a central part of Downtown Cumberland since 1998. In addition to the variety of live performance and music, we are adding a permanent film capability to make our theatre a Place for the Arts to Thrive!

We need your help!

Your donations will go directly towards purchasing state-of-the-art equipment and obtaining theatrical performance rights. Please help us add this permanent movie capability to our Classic Downtown Venue.

All donations are appreciated! Track our progress online!

Have Fun. Meet People. Enjoy Classic Movies!
